PRESS RELEASE

INTAKE OF INTERNS INTO THE 2022/2023 GRADUATE INTERNSHIP PROGRAM

For Immediate Release

April 27, 2022
Ministry of Labour
Private Bag 344
Lilongwe 3.

The Ministry of Labour wishes to inform the general public that it has released list of names for the intake of interns into the sixth cohort of the program. The Ministry had already selected interns into the 3rd, 4th and 5th cohorts, who started their internship programs on 1st April, 2021; 1st August, 2021 and 1st December, 2021 respectively. Considering that the contracts for the 3rd cohort interns ended on 31st March, 2021; all interns under the 3rd cohort are reminded to stop reporting to their respective duty stations.

In line with the release of the names for the sixth cohort, the Ministry will send officials to all districts to administer contract signing and filling of GP1 forms by the newly recruited interns. During this process all interns are requested to bring two copies of their certificate (degree), two passport photos and two copies of their national identity card in addition to the original certificate and original national identity card. Prior to contract signing program, all interns should verify their bank accounts to ensure that only valid account numbers are submitted for processing of intern's stipends. A schedule for contract signing program for all districts is herewith attached.

The Government policy is to engage the interns for a maximum period of one (1) year. Therefore, sixth cohort interns will sign contracts for the period from 1st June, 2022 to 31st May, 2023 hence the official date of reporting to work for the sixth cohort interns is 1st June, 2022. Please take note that government will not extend interns' contracts beyond one (1) year irrespective of any circumstances. Anyone who does not report for duties on the stated date above will be deemed to be no longer interested to serve as an intern and will be withdrawn from the program.

All relevant stakeholders are requested to support the interns to enable them settle smoothly in their designated workplaces. The Ministry wishes to further appeal to all heads of institutions to ensure that interns are adequately engaged in work to enable them gain experience, which is the ultimate objective of the program. Heads of sections should ensure that the interns have their original certificates, National ID and signed contract on the day of reporting as a means of verification.
