PRESIDENT DR. LAZARUS MCCARTHY CHAKWERA WISHES MUSLIMS HAPPY EID AL-ADHA

His Excellency the State President Dr. Lazarus McCarthy Chakwera and the First Lady Madame Monica Chakwera would like to extend best wishes to all Muslims in the country as they commemorate Eid Al-Adha.

Muslims across the world commemorate Eid Al-Adha to honour Ibrahim's complete obedience to the will of God by agreeing to sacrifice his son Ishmael when Allah ordered him to do so. Muslims gather to celebrate the day with feasts and prayers.

The President says the celebration gives an opportune time to Muslims and all other believers to reflect on our faith and national unity. The President says that the feast is a time to cherish our freedom of religion and co-existence in its fullest context.

The destiny of our beloved nation lies in our prayers as we continue to seek Allah's blessings.

May this time also challenge us to take a proactive role in serving those in need and affected by Covid-19 pandemic.
